

PATENT
Docket: 16356.642 (DC-02950)
Customer No. 000027683

IN THE CLAIMS:

RECEIVED

JUL 26 2002

Please amend the claims as follows:

Technology Center 2600

A marked up copy of each amended claim pursuant to 37 CFR § 1.121(c)(1)(ii) appears on the page immediately following the amended claim.

1. (Amended) A system comprising:
- a first indicator;
 - a second indicator; and
 - a device associated with the first indicator and the second indicator;
- the device configured to:
- receive a packet;
 - detect a first protocol associated with the packet;
 - cause the first indicator to be activated in response to detecting the first protocol;
 - detect a second protocol associated with the packet; and
 - cause the second indicator to be activated in response to detecting the second protocol.

12. (Amended) A system comprising:
- a first indicator;
 - a second indicator; and
 - a device associated with the first indicator and the second indicator;
- the device configured to:
- transmit a packet;
 - detect a first protocol associated with the packet;

cause the first indicator to be activated in response to detecting the
first protocol;

detect a second protocol associated with the packet; and

cause the second indicator to be activated in response to detecting
the second protocol.
